Is seeking Tabarruk from graves permitted?

🔹A Thread ~ Reply to @BroHajji 🔹

I have split this into 7 parts, in 7 threads, which highlight the reality of this ruling. I have also answered the doubts raised by BH from his videos

Part 1

Part 2

Part 3

Part 4

Part 5

Part 6

Part 7

I pray Allah grants us all hidāyah and keeps us firm upon The Path of The Qurān & Sunnah through The Methodology of our Pious Predecessors.

As for the typo at the top, Alhamdulillah i noticed as soon as i posted.

Ive corrected it as shown above this. Anyhow, have a read of the threads.

This typo is a minor mistake in comparison to allowing Tabarruk with graves 😁
